Camp Minsi, located on the shores of Stillwater Lake in the beautiful Pocono Mountains, has been serving Scouts for more than 65 years. The premier summer camp encompasses more than 1,200 acres of pristine Pennsylvanian woodlands by the shores of the 314-acre Stillwater Lake. Owned and operated by Minsi Trails Council, Camp Minsi is a BSA Nationally Accredited summer camp that provides unique and exciting programs for Scouts and Scouters of all ages.

Summer camp is the pinnacle of Scouting's outdoor program. With many unique program areas, Scouts have the opportunity to experience a variety of exciting activities at Camp Minsi. Each summer is filled with new programs and activities designed to peak the interests of every camper – including a top-notch first-year camper program and exciting high adventure opportunities for older Scouts.

Camp Minsi features a centrally located spacious dining hall that serves three delicious family-style meals each day. Within a short walk from the dining hall are 10 troop campsites with capacities ranging from 20 to 90 campers.

Staff members are experienced counselors overseen by BSA National Camp School certified directors. The enthusiastic and distinguished camp staff is fully trained and dedicated to making your camp stay the best. They truly go above and beyond to give Scouts and Scouters the ultimate camping experience!
