

# Food Allergy and Religious Dietary Information

The foodservice department at Camp Minsi is committed to ensuring that all participants have the best meals that we could provide. We understand that many people are allergic to foods that we use every day in our kitchens. A scout should always be reverent, so we are also work to accommodate those participants that must follow dietary guidelines of religious reasons.

If you have any allergies to food, please complete the form below. This form is very important to the foodservice department. We want everyone to have enough food. In order for you to have adequate food, we need to know if there are any allergies we need to work around. It is also very important for us to know if you have a severe allergy, so that we may ensure that you do not come into contact with that particular food.
